The Mine Would Thrive.

With free coinage of silver at the ratio of sixteen to one every mine in the world would be worked to its fullest capacity and the entire output dumped at our mints. Why? Because for every \$9.94 of silver bullion our government would give the owner \$18.60—a net profit of \$8.66 upon 16 ounces. Who would blame the millionaires who own silver mines for making this money? Common people will be forced to take from the rich mine owners a dollar at 100 cents whose intrinsic value is about 53 cents and whose purchasing value is never higher than its intrinsic value.—Richmondville (N. Y.) Phoenix.

James L. Francis, Alderman, Chicago, says: "I regard Dr. King's New Discovery as an Ideal Panacea for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physician's prescriptions or other preparations."

Rev. John Burgess, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal Church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery." Try this Ideal Cough Remedy now. Trial Bottles Free at W. H. Styer's Drug Store.

DETROIT HEARD FROM.

A Well Known Citizen Makes a Public Statement that is Attracting Attention.

From Detroit News.

Detroit people, like others of our cities, are up to date in the general matters of benefit to themselves, and Doan's Kidney Pills, having done so much good in Detroit, they can decide from evidence of their neighbors its value to them as a remedy for any and all kidney complaints, and so they are interested in the statement made here by Charles Du Bois, who resides at 209 Alfred street, and has a large circle of acquaintances. His present occupation is inspector on behalf of the city of the pavement and sewer work, a position he is quite capable of filling to the best interests of Detroit. Mr. Du Bois' testimony should, indeed, be of value in substantiating the claims made by the parties whom he now numbers among his friends. He says: "I have had backache, or bad back, as it is called, for a number of years. I have suffered untold miseries, and at times I could not stoop over, but had to remain in an erect position. I have doctored a great deal, but the old nagging pain, varying in severity, still remained. I saw Doan's Kidney Pills advertised, and, wondering if they would help me, I got some. Before I had taken a half box that 40-year old pain had left me entirely, and, better still, it never returned. This was some time ago, and I believe the pains and aches are all gone for good. I regard this as a great victory for Doan's Kidney Pills and a strong endorsement of your claims. They are a very agreeable pill to take, causing no inconvenience, and, in short, as the college boys would say, 'they're all right.' I wish you every success. You can command me in any way as a reference."

Doan's Kidney Pills for sale by all dealers. Price 50 cents; mailed by Foster & Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

virtue's Crown of Roses.

The crown of roses and the title of the Rosalie for one year is given annually as a prize for virtue in some of the provincial towns of France, notably in Nanteere, a little town near Paris. The city confers the crown of roses and other gifts upon the fair maid who has been pronounced worthy by the municipality, who have met in solemn convocation to consider the merits of all the maids of the town.

When Frogs Are Best.

Frogs are best for the table in the autumn. They are then fat and sleek, and there is a peculiar and desirable flavor about them at that season not possessed at any other. At this season they are quite desirable, and form a very clever side dish at any time.

Hope for Him.
